# GIVE a GIFT

based on

## In a Small Kingdom

by Tomie dePaola

pictures by Doug Salati

1. In this picture book, the townspeople give generously. They give pieces of fabric from their own lives so that a new robe may be sewn and given to the prince.
2. Is there someone you miss and haven't seen in a while? What would you like to talk to them about? Where would you like to go with them? Draw a picture or write about it here. Then, if you'd like, cut along the dotted line and send it to them in the postal mail or take a picture and email it. They will be so happy to hear from you!

What a FANTASTIC gift!
